

## SECURITY TIPS FOR SAFE BANKING PRACTICES

**For a small  
mistake, you  
will have to  
pay a big  
price.**

Always be on the alert for banking frauds. Scammers are lurking in the cyber world, on the lookout for the gullible. Empower yourself with safe banking practices.

- Always secure digital transactions using "e-lock" feature in the bank's Mobile App "SIB Mirror+". e-lock is enhanced to set a limit for digital channel transactions.
- Customers are advised to avoid installation of apps from unknown sources.
- Customers are advised to avoid applying updates/patches available from any unofficial channels.
- It is recommended that users download applications from legitimate stores that have security in place to minimize the chances of downloading malicious applications.
- Customers are advised to contact the Bank only through the toll-free numbers available in Bank's official website (<https://www.southindianbank.com>).
- Customers are advised not to share any account credentials/Password/PIN/OTP/CVV etc. Bank will never ask for such details.
- Customers are advised not to respond to any Pop-ups/Emails/SMS/ Phone Calls from unknown/ unauthorized sources.
- In case of any suspected/unauthorized transaction in your account, please contact the bank (1800 425 1809 or 1800 102 9408) immediately. For more details visit <https://www.southindianbank.com> or contact your nearest South Indian Bank branch.
